REBECCA

Rebecca loves kids. She has a lot of fun playing with them and she is very creative. My kids loved creating a theatre show or making birthday party decorations with her. She has a lot of energy and patience.

Rebecca is also an excellent role model for kids. She treats them well and she expects the same in return. She would teach them table manners or how to behave properly in a social setting.

She is also very responsible. You can trust your kids with her and know that they will be safe, the house rules would be followed and no corners would be cut.
